WALTERS DYNAMICS

CAPABILITY STATEMENT | GOVERNMENT & COMMERCIAL LOGISTICS

COMPANY OVERVIEW

Walters Dynamics, LLC is a veteran-owned Arizona small business focused on dependable courier, medical delivery, and transportation solutions for government agencies, healthcare organizations, prime contractors, and commercial customers. Built on military logistics and program-management experience, our approach prioritizes **accountability, responsive communication, secure handling, and mission-focused service.**

CORE COMPETENCIES

- **Medical & Laboratory Courier:** Planned delivery of specimens, medical supplies, and healthcare materials, with handling procedures aligned to customer requirements.
- **Local & Express Delivery:** Scheduled and time-sensitive movement of documents, parcels, and essential supplies.
- **Freight Transportation:** Local and long-distance freight services targeted for phased expansion using suitable resources and partners.

DIFFERENTIATORS

- **Military-Proven Leadership:** Led by a retired U.S. Air Force professional with more than 20 years of service.
- **Logistics & Program Expertise:** Hands-on background in equipment movement, vendor coordination, scheduling, risk management, and quality oversight.
- **Safety & Access Credentials:** Completed HIPAA and OSHA Bloodborne Pathogens training; holds an active TSA-issued TWIC.

RELEVANT EXPERIENCE & OPERATIONAL READINESS

Founder Michael Walters coordinated military equipment and supply movements, managed a **$1M facility renovation**, and supported procurement initiatives exceeding **$700K**. These accomplishments reflect the founder's prior experience, not contracts performed by Walters Dynamics.
